

FIDANTE PARTNERS APPOINTS NEW HEAD OF PRODUCT

London, 29 April 2019 – Fidante Partners, the international investment management business is pleased to announce the appointment of Nora O'Mahony as Head of Product in its London office.

Nora joins Fidante from Pacific Asset Management where she developed and launched a bespoke range of funds in partnership with a global IFA. She has a long track record in product strategy and development having spent the prior 15 years at GAM, latterly as the Global Head of Product.

During her tenure at GAM, Nora was responsible for the Product Development, Product Management and Market Research teams, overseeing AUM growth to over \$50 billion in the specialist fund range. Before joining GAM, Nora was Director, Head of Product Strategy at Citigroup Asset Management.

Nora will report directly to the recently appointed Head of Fidante Partners EMEA and North America, PeterPaul Pardi. She will be responsible for the research and development of Fidante Partners' product range.

PeterPaul Pardi, Head of Fidante Partners EMEA and North America said:

"Nora is a very exciting addition to the team. Her wealth of experience and impressive track record in strategic development and devising approaches to successful product offerings across specialist funds will be invaluable. Nora shares our vision for expanding the range of products across the boutique partnership business."

Nora O'Mahony added: "I am pleased to be joining Fidante Partners, a rapidly growing client-focused organisation. I have spent my career developing and implementing strategies to expand product offerings. I am impressed by Fidante's boutique partnerships model and look forward to contributing towards the future growth of the business."
